Loch Ness Temporary Traffic Restrictions - Sunday 27 April 2025

The organisers would like to thank all the local communities, residents and businesses along the route for their support and patience.

The Etape Loch Ness is a closed road cycle sportive following a 66-mile / 106-km route around iconic Loch Ness, starting and finishing in Inverness. The event will attract 6000 cyclists from across Scotland and the UK and bring a significant boost to Inverness and the Loch Ness area.

In addition, thousands of pounds will be raised by participants for official charity, Macmillan Cancer Support.

The organisers have kept traffic restrictions to a minimum to ensure the safety of participants and other road users. Roads will be closed in both directions to create a safe traffic-free environment for the event. Roads will be reopened at these times or as soon as it is safe to do so, which may be earlier.

If you or someone you know has an essential journey to make, please let us know and we will work with you to find a solution wherever possible.

Get Involved

The event could not happen without the support and commitment of our volunteers. If you would like to join our team, experience the event and raise money for a local charity of your choice, or your community group, then get in touch with us now.

We hope you will be able to enjoy the spectacle and atmosphere on Sunday 27 April. If you live or are visiting the villages around the loch, why not get out and give the riders a cheer as they go past, it really does make a difference!
